DECLARATION OF DR. AUDREY GODDARD

Commissioner for Patents

Washington, D.C. 20231

Dear Sir:

I, AUDREY GODDARD, do declare and say as follows:

1. I am an inventor of the above-identified patent application.
2. I am familiar with claims 44-46 and 49-52 under examination in the above-identified patent application.
3. I am a co-inventor of International Patent Application Publication No. WO99/14328 published on March 25, 1999.
4. It is my belief, based upon my personal knowledge of the individual contributions of each of the inventors of International Patent Application Publication No. WO99/14328, and my understanding of the subject matter of claims 44-46 and 49-52 of the present application that the work relating to PRO269 described in WO99/14328 is the joint invention of myself, William I. Wood and Austin L. Gurney and the other listed inventors of WO99/14328 made no inventive contribution.
5. I declare further that all statements made in this Declaration of my own knowledge are true and that all statements made on information and belief are believed to be true and further, that these statements are made with the knowledge that willful statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title

18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent granted thereon.
